PUBLIC HEALTH AND SCHOOL NURSING SERVICE LINCOLN-WOODSTOCK AREA

Total house calls in the area—1,045. This number consisted of the following types: Communicable diseases and suspects, 60; Medical and injury cases, 289; Chronically ill, 250; New mothers, 15; Infants under one month, 33; over one month and preschoolers, 28; Crippled Children's services, 33; unclassified visits, i. e. Welfare and Social Service visits, 340; Conferences with Preschoolers to diagnostic Clinics, 3; under therapy, 2.

Through the Bureau of Dental Health Services, a clinic for pre-school children was conducted. At these Clinics a Dental Hygienist inspects and cleans the teeth, then an application of fluorine is applied, fluorine being an agent which helps in the prevention of tooth decay in this age group. The hygienist instructs the mothers as to the care of the teeth. Thirty-eight preschoolers attended. Conferences with case workers from state and county welfare departments, 26 and professional meetings attended. 4.

Visits to schools in the District, 268. Athletic physicals were done on all students of the senior and junior high school by Dr. Ralph Parker of Franconia. Nurses examinations were carried out in the elementary grades. The Heaf Test for the detection of T. B. was given to the students in grades one and four in the elementary schools, grade 8 in the junior high and grade eleven in the senior high. Chest X-rays were taken if the results of this test required such. Several attended a chest clinic which was being held in Plymouth at this time. These programs are carried out through the N. H. T. B. Health Association.

This year the School Health Services of the N. H. State Department of Health, recommended booster shots against Tetanus and Diphtheria. This was for

grades one and four in the elementary schools, and grade 8 in the junior high school and grade twelve in the high school.

Our Christmas Program was again this year, substantially aided by all of the organizations in town, students in the junior and senior high school, the Littleton Lodge of Elks, The Sisters of the Atonement. The high school home economics classes did a fine piece of work by cooking and donating cakes and cookies. For this cooperation and all help during the year, we express our thanks.

NORA E. PARENT, Visiting Nurse

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Most of us who live in New Hampshire and the thousands of vacationists who visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there are enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

WE MUST ALL BE CAREFUL:

- 1. To teach our children the danger in lighting matches.
- 2. To never discard lighted smoking material from a car or while walking through fields or woods.
- 3. To safely dispose of rubbish, preferably at the town dump. If you must burn rubbish or brush:
 - a. Always get a permit to burn from the warden. b. Start your fire late in the day after 5:00 P. M.
 - c. If burning a field or brush, have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

Received 6,987 inquiries in the office which were answered promptly with a kit of folders or by personal letters.

Sent over 22,471 letters and 38,317 individual folders by mail. The balance were distributed by freight or by automobile.

Wrote 25 news releases for use in the local media and four news letters to our members. Wrote one article for N. H. Profiles on "Industrial Conway" and helped prepare other articles for use outside the region.

Presently we are revising our White Mountains Map which lists nearly 200 points of interest in our region, which was designed to keep the tourists with us a little longer. Information booth people tell us it is very popular with tourists. The new edition will be printed this Winter.

Worked in cooperation and attended meetings with the White Mountains Recreation Association, Coos County Rural Areas Development Committee, Coos County Planning Committee, Carroll County Rural Areas Development Committee, N. H. Ski Operators Association, White Mountains Region Industrial Council, the Coos, Carroll and Grafton Counties Community Action Program. The association with these many groups has been mutually helpful in developing new projects and programs in the north country.
